BEFORE YOU ARRIVE

University Housing & Dining is ready to welcome you to Iowa! The energy on campus during move-in is like no other and full of excitement for the year to come. Here are a few helpful things you can do to prepare for a successful move-in experience:

SPEND TIME WITH YOUR FAMILY AND DISCUSS THE UPCOMING YEAR

Your time on campus may impact the whole family and should be celebrated! Make a plan for keeping in touch. How often will you check in with each other? Voice, text, or video? When do you think you’ll return home for a visit? Would you like them to visit you on campus?

DISCUSS YOUR STRATEGY FOR MOVE-IN DAY

There may be some very busy times, a little waiting involved, and certainly a few emotions throughout the day. Do you need help getting things in your room or want assistance unpacking everything? Would you like to share a meal with your family, take a walk through campus or snap a photo with Herky? Consider when and how you would like to say goodbye in a way that works for your family.

CONNECT WITH YOUR ROOMMATES TO COORDINATE YOUR ROOM SETUP

It may be helpful to discuss arrival times so each of you can have time in the room with your family. We recommend waiting before completely setting up the room if one of your roommates has not arrived. Please note that sometimes roommates are not able to talk before coming to campus, and that’s okay, too! You’ll have plenty of time to get to know one another throughout the year.

Most importantly, remember that the best laid plans can sometimes go awry. Try to relax and enjoy the memory of your first day as a Hawkeye!

GETTING YOUR STUDENT TO CAMPUS

UH&D is committed to making the fall move-in process a positive experience for everyone. In addition to thousands of students arriving on campus in a short period of time, there are also many construction projects happening on and around campus that will impact traffic. To help make the move-in process run smoothly, we’ve developed this guide to assist you in planning ahead and best navigate campus.

All new students have been assigned via email a specific day and time period on either Wednesday or Thursday, August 17 & 18, to move into the residence halls. If the assigned time will not work, you may change it, but note that spaces are limited in each time block. To change your move-in date/time visit housing.uiowa.edu/move-in.
NEW STUDENT MOVE-IN

On Wednesday and Thursday we have lots of move-in volunteers on hand to make it as easy as possible. With a little patience and by following the instructions below, we’ll get you and your fellow classmates moved in and ready to begin your Hawkeye experience.

BURGE, CURRIER, DAUM, STANLEY, HILLCREST, PETERSEN, RIENOW, & SLATER

Residents who are moving in on Wednesday, or Thursday should report to the Studio Arts building located at 1375 Highway 1 West, Iowa City. Due to construction please follow the directions as indicated on the next page or available at housing.uiowa.edu/move-in.

MOVE-IN STEPS

- When you arrive at Studio Arts, our volunteers will be outside to greet you and collect information to fill out a form called the check in dashboard slip. Once this is completed you can proceed inside.
- Have your student ID ready and visit the check-in table with the name of your residence hall.
- You will then be issued your room key, meal plan bracelet and a hang tag for your car that will help when navigating you to your residence hall.
- Return to your vehicle, place the hang tag on your rear view mirror and follow the designated route to campus as indicated on the opposite page or housing.uiowa.edu/move-in.
- Once you arrive at the residence hall, our volunteers will help unload your vehicle and assist with moving your belongings into your room.
- There is no parking available at the residence halls. The driver should remain in the car and proceed to the Hawkeye Commuter Lot (Hawk Lot) located near Mormon Trek and Melrose Avenue. Navigational signage will be visible along the route as a guide.
- Once the driver has arrived, a free Cambus shuttle (Hawkeye Interdorm) will be available and will make stops at all residence halls. For real time bus schedules download the mobile app Bongo, or visit www.ebongo.org.

MAYFLOWER & PARKLAWN

Residents should go directly to the halls where you will receive parking and unloading directions, get your key, and volunteers will assist you with unloading and moving your belongings from your vehicle into your room. Due to Dubuque street construction please follow the driving route as indicated on the following pages or available at housing.uiowa.edu/move-in.

EARLY & RETURNING STUDENT MOVE-IN

Students who have a university obligation and need to arrive sooner can move in on Sunday, August 14. Move-in on this date requires signing up in advance using housing.uiowa.edu/move-in.

Sunday move-in is on your own, no volunteers will be available to assist you. Just arrive at the building you are assigned to during the time block for which you signed up. Proceed to the front desk with your student ID and your room key will be issued. Carts will available for use, but we also recommend bringing your own.

Returning students who move in on Saturday, August 20 should go directly to their hall. No volunteers will be available to assist during returning student move-in.
The easiest way to reach the Studio Arts building, and to avoid construction is to take Interstate 380 (Hwy 218).

- From Interstate 380 (Hwy 218) take the Highway 1 Exit.
- Head east and Studio Arts will be on your right, immediately past the Toyota dealer.
- Once there, you will be able to check in and then follow navigational signs to your residence hall.

(Check-in location for Burge, Currier, Daum, Stanley, Hillcrest, Petersen, Rienow, & Slater)
NOTE: Due to construction, Mayflower cannot be accessed heading south on Dubuque Street. Please follow these exact directions.

MAYFLOWER
1110 N Dubuque St

- From Interstate 80, take the Dodge Street exit
- Continue south on Dodge Street to Church Street
- Turn right on Church Street and follow to Dubuque Street
- Turn right on Dubuque St and follow to Mayflower
- Unloading is available in the rear or in the north lot
