What is Night Games?

Night Games is a student driven organization committed to providing leadership opportunities for students through the planning, organization, and facilitation of a safe, late night, alcohol alternative event for the University of Iowa campus community. Approximately once a month on a Saturday night, the group hosts Night Games at the UI Field House or Campus Recreational and Wellness Center (CRWC) from 9:00 pm to 1:00 am. Activities such as: basketball, badminton, rock climbing, swimming, volleyball, dodge ball, and other special events are free and open to the public.

Eligibility

Membership of the Executive Board is limited to current University of Iowa students. Individuals applying to be on the Night Games Executive Board must fill out this application form to be reviewed by the Co-Presidents and advisor. Depending on the number of applications, individuals will be invited for interviews conducted by the Co-Presidents.

Additional Information

The Night Games Executive Board will be responsible for planning and implementing all aspects of the events. There are also council members who will support the executive board and assist at Night Games events. It is expected that Executive Board members attend two monthly meetings and attend all Night Games events unless prior permission is granted by either of the Co-Presidents or Advisor.
