OUR VISION

We are passionate about hospitality and committed to the success of the Hawkeye Community.

This is the vision for University Dining and our entire team works to ensure we deliver this vision.

WE’RE ALL ABOUT CHOICE

The Market Places provide many food choices—from homestyle foods to pizza, stirsfry, pasta, southwestern, deli, salad bar, and grilled items. For something special, try the “made-to-order” Chef’s Table at Burge or the Burger Bar at Hillcrest. Choose from fresh and delicious foods, choose a seat, and choose to enjoy the bright and friendly Market Place atmosphere!

You can also enjoy a quick and satisfying meal at one of our Campus Cafés, conveniently located in several academic buildings, the Main Library, Campus Recreation and Wellness Center and the Iowa Memorial Union.

WE’RE LISTENING

Market Place and Café menus are developed with students in mind and your input is essential to that process. Comments, suggestions, and requests can be submitted via our website, dining.uiowa.edu, or directly to Jill Irvin, Director of University Dining, (319) 353-2046.

Questions regarding meal plan changes should be directed to Contracts & Assignments, located in the University Housing & Dining Administrative Office at 4141 Burge Hall, (319) 335-3000.

University Dining also has a student advisory committee which students are encouraged to join.

WHAT GOOD FOOD MEANS TO US

SOURCING
We are committed to providing sustainable products and services that protect our natural resources. When possible, we purchase locally grown and sustainable foods from our vendors.

QUALITY
We purchase the best possible products and prepare them just in time or in small batches to ensure the best quality.

VARIETY
Our daily market place menus are comprised of 45 menu items that are on a four week rotation and are served from a variety of made to order and ready-made stations. You’ll also enjoy several theme dinners, pop-up events and food tabling throughout the year.

SAFETY
We take food safety and sanitation very seriously. We work closely with county health officials and are continually trained in the latest principles and regulations of food safety. Our facilities are inspected regularly to ensure compliance.

HEALTH & WELLNESS
Meeting your nutritional needs is our number one concern as we work to provide menu options that will sustain you. Our full-time Nutrition Specialist and NetNutrition® program are excellent tools to utilize when making a nutritious plate.

INNOVATION & CREATIVITY
Our professionally trained chefs use their creativity to make sure you have a variety of menu selections to satisfy and delight you.

BARRY GREENBERG
EXECUTIVE CHEF
Chef Barry Greenberg is the Executive Chef for University Dining. He recently celebrated his 23rd anniversary here on campus and continues to love his job at the University of Iowa. Barry works directly with the other chefs and staff in student dining, catering, retail and our central bakery. Barry’s culinary background includes work in hotels, restaurants and resorts with experience from places like San Diego, Martha’s Vineyard and Vail. LAURA CROTEAU, RD, LD
REGISTERED DIETITIAN
Meet Laura Croteau, RD, LD, our dining Registered Dietitian. Laura is available to help you with food allergies, navigating the Market Places, making a nutritious plate, NetNutrition®, and other nutrition related questions you have. For more information, contact Laura at laura-croteau@uiowa.edu or at (319) 353-2299.

MAKING NUTRITIOUS CHOICES
Both of our Market Places offer a great variety of nutritious choices for you to choose from. Make sure to make half of your plate fruits and vegetables, a quarter of your plate whole grains and a quarter lean protein (such as chicken or eggs). Look for our UChoose icon on our menu items. This icon means food items are a nutritious choice because they have been analyzed to meet the following criteria: low calories, low sodium, and low fat and zero trans-fat. Check out our dining blog for more information.

NETNUTRITION®
NetNutrition® is an online tool available at dining.uiowa.edu, for you to use to view menu allergens and nutrition information for items served in both our Market Places. By using NetNutrition® you can filter by dining location, allergens, and other preferences such as vegan and vegetarian options. This program can help you make more informed choices while dining with us.
ALLERGEN & FOOD PREFERENCE CONSIDERATIONS

We want to ensure everyone dining with us has a safe experience. There are several options available for those with food allergies or other dietary requests. The following are options for those with food allergies or intolerances:

- **Navigating your way around our Market Places is easy when you look at our nutrition icons (see left).** We clearly label food and menu items with icons that state whether an item contains gluten, milk, peanuts, and tree nuts. For more allergen information, visit our website.

- Almond and soy milk are available for those who are lactose intolerant, have a milk allergy or have a food preference.

- There are also vegetarian and vegan options available throughout our Market Places. Vegetarian items are clearly labeled on our line signs for you.

- **If you do not consume pork or pork products for religious reasons, please see NetNutrition®.**

- You can choose to get your meals prepared in the back of the kitchen to limit the possibility of cross contamination. This requires a doctor’s note and completion of a request for accommodation form, which can be found at: dining.uiowa.edu/about-us/nutrition.

- Both Market Places have a fridge with gluten free products such as bread, buns, bagels, cookies, and other goodies. We also have noodles, chicken tenders and pizza available upon request!

Housing & Dining at the University of Iowa cannot guarantee the accuracy of nutrition information. Nutrition & ingredient information may vary due to product substitutions and formulation by the manufacturer prior to product purchase by the university. Additionally, cross contamination and other variables are beyond the University's control. Individuals with food-related dietary concerns should be aware of this risk and understand that University Housing & Dining does not assume any liability for adverse reactions to foods consumed, or items with which one may come into contact while eating at any UI dining location. For individualized assistance please contact Laura Croteau at laura-croteau@uiowa.edu or (319) 353-2299 or speak with a manager or chef in your respective Market Place.

MEAL PLAN INFORMATION

A meal plan is required for all first year students living on campus, as well as returning students living in a room without a university-supplied kitchen. A meal plan is purchased in advance of an academic semester at a discount off the walk-in price. Depending on the meal plan you purchase, you will either have unlimited meals available or a set number of meals available that expire at the end of the semester. To use your meal plan, you must have your Iowa One Card.

GOLD MEAL PLAN
Get maximum flexibility with an unlimited meal plan, including 75 Flex meals! Visit the Market Places as often as you want and have approximately five additional Flex meals every week.

BLACK MEAL PLAN
Our most popular plan includes 145 meals and 75 Flex meals. This allows you to eat an average of nine meals in the Market Places and four Flex meals every week.

HAWKEYE MEAL PLAN
This plan includes 75 Flex meals. If you live in a room with a university-supplied kitchen you can purchase this as your primary meal plan. This plan gives you an average of five Flex meals per week.

HERKY BOOSTER PACK
Designed for students who have used all of the meals in their Black or Hawkeye meal plans, or for commuting students, faculty, and staff who eat frequently on campus. Unlike the other meal plans, any meals from a Herky Booster Pack remaining at the end of the summer or fall semesters will roll over to the next semester, and do not expire until the end of the spring semester. Returning students with a university-supplied kitchen may purchase this as a primary meal plan. Multiple Herky Booster Packs may be purchased.

GUEST MEALS
Our Gold and Black meal plans include eight guest meals per semester. You can use these meals to treat a friend to a meal in either Burge or Hillcrest Market Places. When you arrive at the Market Place, simply tell the cashier you will be using a guest meal. Unused guest meals expire at the end of each semester.

All residence hall students in rooms without a kitchen must select either the Gold or Black Meal Plan.
All plans are available for purchase by any offcampus students, faculty or staff.
MODIFY YOUR MEAL PLAN

Some restrictions apply, but currently enrolled students may modify or cancel their meal plan at the beginning of each semester. Meal plan changes are not permitted after September 9, 2016 for fall semester, and February 3, 2017 for spring semester.

Cancellations during the first three weeks will follow the refund schedule below, regardless of meals eaten. To modify, cancel, or check your meal plan balance visit dining.uiowa.edu.

Students who withdraw from the university or cancel their non-resident meal plan will receive a refund based on the schedule below, regardless of the number of meals eaten. Meal plan cancellation date is determined based on when a resident officially checks out of their hall.

FLEX MEAL PLAN OPTIONS

Flex meals offer students the ability to use a meal swipe at one of our Market Places or eight on-campus retail locations. If you purchased the Gold or Black Meal Plan, you automatically have 75 Flex meals included.

INCLUDED IN A FLEX MEAL

Flex meals include 1 Entrée, 2 Sides, 1 Drink. Meal options vary per location, but a sample Flex meal includes a sandwich, chips, fresh fruit and a beverage. Look for the **Flex** logo to find items included as Flex Meal options.

FLEX MEAL LOCATIONS

Flex meal locations are available throughout campus. For hours and location map, see pages 7 & 8.
