Potluck Recipe

By Lauren—CA

Last semester, Hawkeye Drive Apartments hosted a Potluck event where each participant brought their own traditional dish to share with the community. We asked tenants to share their recipe with us, and I’d like to share a recipe with you. The recipe is for bread called “friendship bread.” Friendship bread takes a total of ten days to make, and each day has very simple steps.

Day 1: Mix 1 cup flour, 1 cup sugar, and 1 cup milk in a 1-gallon resealable plastic bag. Seal bag and knead mixture until well combined. Let stand at room temperature overnight.

Day 2-5: Continue kneading mixture once a day; keep at room temperature. On the sixth day add 1 cup flour, 1 cup sugar, and 1 cup milk to bag. Seal and knead to combine; let stand at room temperature overnight.

Day 6-9: Knead mixture twice a day.

Day 10: Transfer mixture to a large bowl. Add 1 cup flour, 1 cup sugar, and 1 cup milk; mix until well combined. Measure 1 cup of the mixture into each of 3 resealable plastic bags. Seal plastic bags and give each bag of starter mixture to a friend to make their own friendship bread. There will be 1 cup of the mixture left for you to bake with.

When you’re ready to bake, preheat oven to 350 degrees. Add 1 cup vegetable oil to bowl with remaining starter mixture along with 3 large eggs, ½ cup milk, and 1 tsp vanilla extract. Stir until well combined; set aside.

In another large bowl, mix together 2 cups flour, 1 cup of sugar, 1 ½ TBS baking powder, 2 tsp cinnamon, 1 tsp salt, ½ tsp baking soda, 1 package (3.4 oz.) instant pudding. Add dry ingredients to starter mixture and stir until well combined. Divide batter evenly between two 8-by-4-by-2 1/2-inch loaf pans.

In a small bowl, mix together 3/4 cup sugar and 2 tsp cinnamon; sprinkle evenly over batter. Transfer to oven and bake for 1 hour. Let cool 15 minutes before removing from the pan.

Then all you have to do is let the bread cool and enjoy!

Please send us any recipes you’d like to share with the Hawkeye Drive community!

- Your University bill must be paid in full—no past due amount—or you cannot renew your lease.
- Short-term leases cannot be accommodated for Summer Session graduation or lease signing of off-campus apartments.

Things you need to know if you WILL NOT be renewing your lease at Hawkeye Drive

- You must complete a lease cancellation notice in our office by April 1st to move out between May 16 – June 1. A $50 improper cancellation fee will be charged if no cancellation request is submitted by April 15th.
- All lease renewals must be completed by April 15th to stay in your apartment for another year. Those that have not renewed by that date will have their apartment rented to new applicants.
Garden Plots

Starting Monday, May 2, 2016

Garden Plots will be available for residents to rent this May. The gardens will be located behind and in between the 400 and 600 HD Buildings just north of the blacktop court/playground area. The rental charge will be $20.00 for a 15 x 15 plot. The gardens are rented on a first-come, first-served basis. You may sign up at the Hawkeye Drive Apartments Office beginning 8:00 AM Monday, May 2, 2016. Your University of Iowa bill must be paid up and you must have signed a 2016-2017 lease in order to rent a garden plot. Free garden tools are also available to check-out on a two-day rental basis.
The Back Page

Please DO NOT set your garbage on the ground next to the trash receptacles. All garbage is to be disposed of directly into the dumpsters. Violators will be assessed a disposal fee of $50 if staff has to remove your trash from the ground or from the buildings.

All garbage must be bagged and placed in the dumpsters. Larger items should be broken up in order to load the dumpsters as compactly as possible. When not in use, the dumpster doors must be closed for sanitation reasons. Never leave bags of garbage in the hallways, on the walkways, or around the buildings. Consult the Hawkeye Drive Guidebook for more information.

Mail

Do not leave junk mail or mail from previous tenants on top of the mail boxes, on the ground or inside the newspaper dispenser. The mail blows away and creates a significant litter problem. Dispose of unwanted mail appropriately. If you receive mail for a previous tenant(s), simply write “RTS” (return to sender) and place the mail in the outgoing mail slot. Or place all unwanted mail in the recycling bins. Thank you for your help!
