## SUMMER HOUSING GUIDEBOOK

### EAST SIDE RESIDENCE HALLS 2022

# WELCOME

Welcome to the University of Iowa and to Catlett, Currier, and Stanley Residence Halls. The university is pleased to make its adult housing facilities available to individuals who are enrolled in summer camp/conference programs and are mature enough to live independently on campus with limited staff supervision. Because the University Housing and Dining system is not designed to provide supervision for persons under the age of 18, parents are advised to enroll their youth campers/attendees in a summer program only if they believe their camper is mature enough to live responsibly in an environment where building access is not restricted to residents only and where residents are free to come and go as they please within the residence halls during certain hours of the day and evening. Our staff is available to answer any questions. To make full use of the facilities and services in the halls, please refer to the following information.

## RESIDENCE HALL INFORMATION

### Building Desks

The Catlett desk (319-335-1249) is open 24 hours a day while camps and conferences are in session, May 31–July 30. Consult [housing.uiowa.edu](https://housing.uiowa.edu) for hours after July 30, 2022. The combined Currier/Stanley desk (319-335-2982) serves both halls. It will be open 24 hours a day, all summer and into Fall of 2022. Report any problems to the desk in person or by phone.

### Buses

Cambus (319-335-8633) operates free intra-campus service while classes are in session. Find bus schedules at: [transportation.uiowa.edu/cambus](https://transportation.uiowa.edu/cambus) or digitally displayed near building exits. Iowa City Transit (319-356-5151) operates regular bus service Monday through Saturday for a small fee.

The Transit app is a free, real-time passenger information system that allows users to review bus routes, receive arrival predictions, and access GPS tracking. The app includes Cambus, Iowa City and Coralville bus routes and lets riders plan itineraries across the three systems. The app is available to download from the App Store and Google Play.

### Computers/Computer Labs (ITCs)

Currier has a computer classroom (accessible through the Currier first floor) which is open for conference guests June 12 through July 30, Sunday through Thursday from 7 p.m. – 10:30 p.m. An ITC employee will not be provided during these open times. Guests should contact the Currier/Stanley desk with concerns. Camp and conference attendees should be accompanied by camp staff when working in the ITC. All users must abide by the University's Acceptable Use policy ([its.uiowa.edu/support/article/4028](https://its.uiowa.edu/support/article/4028)). Youth conferences/camps and short-term adult conferences will NOT have UI internet connectivity in their individual rooms for summer, nor will they have access to UI wireless internet on campus. For information on free guest wireless services, see Wi-Fi Service section, page 5.

## **Construction**

University Housing and Dining is working on several major construction projects this summer. We will do our best to notify you in advance when construction affecting your room will be taking place.

Currier first and second floors (east, south and north wings only) are off-line for painting and new finishes in student rooms. Currier will also undergo a roof replacement. Daum, Burge and Burge Market Place will be completely off-line to summer guests; however, there will be limited building access for staff.

All university buildings will be cleaned following CDC guidelines. The custodial care of your room such as trash removal or towel service will depend upon the arrangements made by your conference. If towels are provided in your room, please be aware that they are provided for both you and your roommate. Sheets and towels are distributed to your room based on provisions selected by your conference sponsor. Requests for additional sheets and towels may not be fulfilled.

## **COVID-19 Expectations**

The university has developed and implemented policies and procedures to help lower the risk of COVID-19 exposure and spread. All summer camp/conference participants, staff, and guests are expected to follow the health and safety measures implemented by the University of Iowa as recommended by the Centers for Disease Control and other applicable public health authorities during a public health crisis. These health and safety measures may be subject to modification during the summer as public health guidance changes. For full details regarding university-wide measures taken and community expectations visit [coronavirus.uiowa.edu](https://coronavirus.uiowa.edu). To find specific health and safety plans for residence hall camp/conference guests including isolation practices, cleaning protocols, etc., visit [housing.uiowa.edu/camps-and-conferences](https://housing.uiowa.edu/camps-and-conferences).

Once inside the building, the building staff can assist the guest in contacting their counselor (when applicable) and gaining access to their summer room.*

## Furniture

All university furniture provided in individual rooms must remain in those rooms. Registered sex offenders are not eligible for UI summer camp and conference housing. Youth under the age of 18 living in the halls are covered by the Minors on Campus Policy. All summer camp and conference community members have rights and responsibilities, but certain behavior is not tolerated on campus or in the residence halls. This applies to any summer participant/resident regarding their own actions as well as the actions of guests. Any participant/resident/counselor/staff who intentionally commits, incites or aids others in committing any of the following acts of misconduct shall be subject to disciplinary action (including being sent home/asked to leave the halls) by University Housing and Dining (UH&D) and/or the University of Iowa.

This includes creating a disruptive event within an area of the residence halls that involves loud and/or disruptive behavior.
5. **Disruptive Behavior Affecting Safety:** Tampering with or improper activation of fire prevention equipment (sprinkler heads, fire extinguishers, fire hoses); the improper activation of a fire alarm or smoke detectors; inhibiting access from the buildings by tampering with exit signs and doors; falsely reporting an emergency or terroristic threat in any form.

9. **Threatening Behavior:** Written or verbal threatening behavior, causing a reasonable person to believe that the person making the threat intends to carry out the threat to harm their health, safety, or property and has the ability to carry out the threat. All residents should immediately relocate to a building's interior corridor on a lower (or lowest) level, or to building basements and remain there until the warning has expired, is cancelled, or individuals are instructed to take other actions. If damages occur resulting in dangerous conditions, occupants should consider remaining in the shelter location. Additional information regarding emergency notifications and emergency response actions can be found on the UI Department of Public Safety webpage.

## **Fire**

In the event of a fire in a residence hall, use the nearest pull station, evacuate the building immediately, and call 911 to report. If you hear the alarm sound, evacuate the building immediately. Do not use the elevators.
