

RESIDENCE HALLS TERMS AND CONDITIONS SUMMER 2024

1. Terms of Agreement

- a. This contract is held between the student (also referred to as “you” and/or “resident” and University Housing & Dining (referred to as “UHD” and/or “Contracts and Assignments”). If the student is a minor, this is an agreement between the student, guardian, and the university.
- b. The university’s acceptance of this agreement (a room assignment) guarantees you a space in a residence hall, not a specific building, room, or living learning community. Your assigned space may include expanded housing.
- c. This agreement will be terminated immediately if you are suspended or dismissed from the residence hall or university. In any such instance, you agree to vacate the residence hall and not return without written approval of the university. You may be assessed a financial penalty for not meeting the full contract terms.
- d. Your electronic signature indicates your agreement to the terms and conditions of the contract. This agreement becomes binding seven (7) days after the university emails notice of acceptance of the contract and room assignment to the student, or when the student takes possession of the room, whichever comes first.
- e. No verbal statement by any party is considered an agreement or waiver of any term or condition, whether expressed or implied. This document constitutes the entire agreement of the parties.

2. Eligibility

- a. Admitted students at least 16 years of age by May 1, 2024, are eligible to apply and live in the residence halls during Summer 2024.
- b. You must be an enrolled student at the University of Iowa registered for at least 1 credit, participating in a university-sponsored activity, or otherwise determined eligible by the Senior Director of UHD.
- c. You must be able to perform your own independent tasks with or without reasonable accommodations. You are responsible for your own self-care including appropriate personal hygiene, mental health, management of medical conditions/illnesses, and/or disability-related personal needs. You are expected to utilize the various resources available to provide care for yourself. Students with the inability or perceived inability to care for themselves and/or who cause harm to themselves or others may be asked to adhere to an action plan, and/or leave the residence halls.
- d. If your physical or mental health may jeopardize your or another resident’s safety or well-being, you may be required to have an examination by a university physician or university counselor to determine if you have the ability to live safely and independently in an unsupervised environment. If the physician or counselor determines that a health or safety concern exists, the Senior Director of UHD/designee may amend or suspend your housing contract.
- e. Subject to applicable obligations and university policy, the university reserves the right to determine that a student's medical condition, past behavior, and/or criminal activity is such

that the interests of the university, the student, and/or other students would be best served by alteration or cancellation of the housing contract. If the university becomes aware that you have a record of criminal conviction(s) or other actions indicating behavior that could pose a risk to person or property and/or could be injurious or disruptive to the residence hall community or the living/learning environment, the university may not accept your application, or may immediately terminate the contract.

- f. Registered sex offenders are not eligible for university housing.

- c. If you are under the age of 18 when you apply, your application must be electronically signed by a parent or guardian. The parent or guardian signature does not give any additional contractual rights, or allow your parent or guardian to receive any information protected by the Family and Educational Rights and Privacy Act (FERPA).
- d. Your application becomes a binding contract seven (7) days after the university emails notice of acceptance of the contract and room assignment to you, or when you take possession of the room, whichever comes first.

- d. If you participate in activities that bully, intimidate, harass, and/or physically harm a roommate or potential roommate either in person, verbally, or through electronic medium (including but not limited to social media websites, texts, email, and/or instant messaging), UHD reserves the right to change your assignment to a different room and/or residence hall, and/or cancel your housing contract.
